## Cardinal Ambrozic Elected Chancellor of St. Michael's

His Eminence Cardinal Aloysius Ambrozic, Archbishop of Toronto, was elected Chancellor of the University of St. Michael's College by the Collegium at its meeting of 21 April 1998. Cardinal Ambrozic has had a long career in higher education, having taught as Professor of New Testament in the Toronto School of Theology, served as Dean of St. Augustine's Seminary, and been the Chancellor of the Pontifical Institute of Mediaeval Studies since 1990, when he became Archbishop of Toronto.

Cardinal Ambrozic has maintained a keen interest in the welfare of St. Michael's, and has been most supportive of its mission of Catholic higher education. The Alumni Association welcomes our new Chancellor

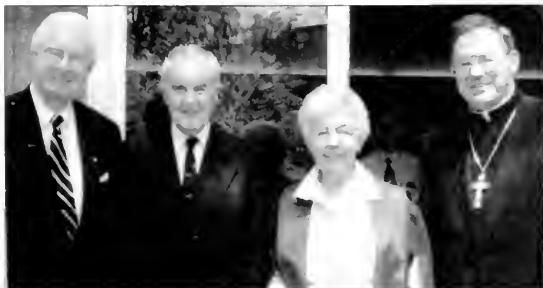

and looks forward to working with him for the good of St. Michael's.

Cardinal Ambrozic succeeds Cardinal Gerald Emmett Carter, who served as Chancellor for twenty years. Cardinal Carter has agreed to accept the title of Chancellor Emeritus. The Alumni Association of St. Michael's expresses its profound gratitude to Cardinal Carter for his dedicated service to the University of St. Michael's College. The grace with which he presided at Convocations, his wise counsel and guidance, his many good offices, and his own personal generosity have had an important and very positive influence on the development of St. Michael's; we are deeply in his debt.

Cardinal G.  
Emmett Carter.  
Thank You!

## The Web, The Fax, The E-Mail, and SMC!

Yes, the St. Michael's Alumni and Development Offices are gradually moving into the Twenty-First Century electronically. Prompted by the Alumni Board, with the help of Ken Schnell of the SMC Development Office, and thanks to the outstanding work of Sam Lee 9T5, we now can be contacted in several ways other than mail or telephone.

You can send us information for the newsletter, return reservation and change-of-address forms, or just say "hello" by FAXing us at 416-926-2339, e-mailing us at [evac.wong@utoronto.ca](mailto:evac.wong@utoronto.ca) or [robert.madden@utoronto.ca](mailto:robert.madden@utoronto.ca) or responding on our web page, [www.utoronto.ca/stmikes/alum-dev](http://www.utoronto.ca/stmikes/alum-dev) (what do you think of that, web fans?)

## St. Michael's Welcomes a New Registrar And a New Chaplain

New SMC Registrar,  
Rachel Muia 7T2

Rachele Settino Muia became Registrar of St. Michael's College on 1 July 1998. A 1972 graduate of St. Michael's, Rachele holds a Master's Degree in Higher Education from the UofT, and has been involved in the area of

student services at the University since 1972, holding administrative positions in the Faculty of Nursing, the Faculty of Dentistry, Scarborough College, and the Undergraduate Professional Faculties' Admissions Office. From 1990 until moving to St. Michael's she was Registrar of the Faculty of Information Services. Rachele has served as a member of the Academic Board of the Governing Council of the UofT, and as Chair or member of several University Committees. She is currently involved in the development of the University's new Student Records System.

On her new appointment, Rachele said that it was "like coming home," and commented

further, "I enjoy working with students, and I firmly believe that students who choose to attend the University of Toronto should receive the best possible service." Rachele is the first woman to occupy the position of Registrar at St. Michael's. Her husband, Luigi, is an SMC graduate; their son, Daniel, is at present enrolled at the College.

Fr. Michael Dodds, a member of the Redemptorist Congregation, has been appointed to succeed Fr. John Reddy on the Chaplaincy team of St. Michael's, joining Sister Joan Atkinson, C.S.J. Fr. Dodds graduated from St. Michael's in 1973, went on to receive a Bachelor of Education from the UofT and then a Master of Divinity degree from St. Michael's. For several years he has worked on a pastoral team whose focus was establishing youth ministries in parishes. He brings a wealth of experience to the St. Michael's Chaplaincy.

The positions of Registrar and of Chaplain are among the most important and sensitive in the College. The Alumni Association welcomes Rachele Muia and Fr. Mike Dodds back to St. Michael's and wishes them well in their new appointments.

## Annual Fund '97-'98: Another Success! Thank You!!! And Now For '98-'99

Once again St. Michael's alumni and friends have made the College a leader in the UofT Annual Fund programme as they contributed over \$550,000 to support the Chaplaincy, College academic programmes, the John M. Kelly Library book acquisitions, and other events and activities that are at the heart of the student experience at St. Michael's. Congratulations and thank you to all who participated.

In an effort to involve more alumnae and alumni in the Annual Fund programme, the UofT plans a new look and a new approach for '98-'99. This will include some generic mailings that will originate from the central UofT Development Office, not from St. Michael's. As some of you are aware, St. Michael's has already sent a letter of appeal for this Annual Fund year directly to most of our previous donors. The generic mailings will be devised to enable you to make your gift to St. Michael's or to some other area of the University you might choose to support. Obviously, we urge you to support St. Michael's, and hope that should you choose to support another area of the University, you will not reduce your gift to the College. Please be assured that any gift you designate for St. Michael's through

any Annual Fund appeal slip will come to St. Michael's. How will your gifts to the Annual Fund be used? Your donations will go to support the following projects chosen by the St. Michael's Alumni Association Board of Directors in consultation with the College Administration: the Chaplaincy; the College Academic Programmes in Christianity and Culture, and in Celtic Studies; the Writing Lab; new books for the John M. Kelly Library; scholarships and bursaries; Continuing Education; special spiritual, academic, cultural, social, and athletic student events and activities.

These projects and the St. Michael's Annual Fund appeals will be separate from the projects established for the College's part in the University of Toronto's *The Campaign*. *The Campaign* is to raise money for major capital projects and endowment funds; the St. Michael's Annual Fund appeal is directed to annual operational needs. The '98-'99 Annual Fund goal is \$600,000; it is money needed for this fiscal year's budget.

Please be as generous as you can.

# CONVOCATION 1998

Despite the weather forecast, the sun shone, as over 450 St. Michael's graduates, with their families and friends, enjoyed a beautiful and busy 15 June Convocation day which began with the traditional procession from the Quad to St. Basil's Church for the annual Baccalaureate Mass, celebrated this year by our new Chancellor, His Eminence Cardinal Aloisius Ambrosio.

Fr. John Reddy, College Chaplain, preached the homily, and Sister Marion Norman, I.B.V.M. 3T9 and Mr. Frank Buckley 4T2 were invested as Honorary Fellows of the University of St. Michael's College for their outstanding example of service to the Church and to the broader civic community. The

Convocation ceremony, in the newly air-conditioned Convocation Hall, was as impressive and joyful as ever; it was followed by a reception at St. Michael's for the graduates, their families and friends, and by the presentation of awards and prizes.

Among the special St. Michael's awards: **The Marina Santin Award**, given annually to a graduating woman student with a good academic record who exemplifies the Christian ideals of joyful engagement in life, openness to others, service to the community and responsible leadership; the winner was Michelle Henry; **The W. B. Dunphy Medal**, given to the student who has combined high academic achievement with sustained

commitment to volunteer service in the wider community: the winner was Audrey Selke. **The Principal's Medal**, given to a student who has upheld the practice of Catholicism proper to a university community, has achieved a good academic record, and who has participated in all facets of College life: the winner was Anthony Daly. Some of the pictures show that the St. Michael's Convocation was a family affair.

Alumni Board Members Mary Ellen Regan, Burns, Patrick Carroll, Michael Camacho, Rosemary Rizzo Chambers, Maureen Hart, and Frank Kiely represented the Alumni Association, greeting the 9T8ers and their family and friends, and assisting the Registrar in the day's proceedings.

Please note that other donations to St. Michael's or to other University of Toronto constituencies are not included in this Donor Acknowledgement list. A special report is being prepared for the "Secure the Tradition" appeal. The wishes of those who notified us of their choice to remain anonymous have, to the best of our ability, been respected. ## "Unity And Disunity In The Church" The 18th Kelly Lecture

Monsignor Philip Murnion did not disappoint the audience of close to 400 who came to hear him give the 1998 John M. Kelly Theology Lecture. In a clear, well organized and cogent presentation, Monsignor Murnion outlined the principles guiding the "Catholic Common Ground Initiative" and the spirit instilled in the Initiative by the late Cardinal Joseph Bernardin with whom he had worked in its initial stages. Monsignor Murnion went on to outline some of the reasons for disunity in the Church, and suggested measures and attitudes that could bring about greater unity. Although it indicated clearly the difficulties that cause division in the Church today, the lecture was most encouraging and hopeful.

After the question period, the lecturer mingled with the audience at a reception in the Odette Lounge of Brennan Hall. The lecture has been printed, and a limited number of copies are available from the Alumni Office.

## R. I. P.: Sister Geraldine Thompson, C.S.J. 2T8, Father Joseph Sablé

Father Joseph Sablé, "Adieu".

Since the last issue of our alumni newsletter, death has come to two much loved members of the St. Michael's community, Father Joseph Sablé and Sister Geraldine Thompson, C.S.J. Both were excellent teachers who believed firmly in the importance of education in Christian life; both symbolized in their personal, professional and religious lives the mission of St. Michael's in Catholic

higher education. Their pursuit of the truth, their command of their subject, their ability to communicate, their concern for their students, their respect and care for their colleagues, and their devotion to St. Michael's remain a source of inspiration to students, staff and faculty of the College.

Fr. Sablé first visited St. Michael's in 1967, returning in 1971 to take up a full-time teaching appointment here until his retirement in 1985. Upon his retirement he presented his collection of over 12,000 books to the John M. Kelly Library; until his death he spent at least four months each year living at St. Michael's, organizing the collection and adding to it. The collection now forms the content of the UofT's Centre d'Études Romantiques Joseph Sablé, housed in the Kelly Library, and the site of seminars and of research by local scholars as well as by visiting scholars from abroad. Fr. Sablé's contributions to the mission of St. Michael's and to French culture were recognized

when St. Michael's conferred upon him in 1992 the honorary degree of Doctor of Sacred Letters, and when the French Republic appointed him a Chevalier de l'Ordre de la Légion d'Honneur in 1995. Fr. Sablé died suddenly in France 13 February 1998.

Sister Geraldine Thompson, C.S.J. had been experiencing failing health in recent years, but remained active and welcoming to visitors who came to see her at St. Joseph's Convent, Morrow Park,

Toronto. Acute illness forced her hospitalization early last May, and, although she was responding to treatment, her heart failed and she died 21 May. Sister would have celebrated her ninetieth birthday on 1 June, and the seventieth anniversary of her graduation from St. Michael's and the UofT on 6 June; she was in the sixty-fifth year of her religious life in the Sisters of St. Joseph of Toronto. Sister Geraldine was a gifted artist, an oft-published scholar, and admired, devoted and challenging teacher, mentor, and friend who cared for her students and for her colleagues. She enjoyed a long career as a teacher, first in high school, and then in university as a Professor of English at St. Michael's, also serving for some of those years as Dean of St. Joseph College. She was a great lady who, with Fr. Sablé, embodied the spirit of St. Michael's and furthered its mission. May they rest in peace.

- The first floor of Elmsley Hall has been returned to its original purpose, a residence for men. Over the summer the rooms, which had served as offices for the departments of Classics and English, were transformed (re-formed) into residence rooms. Members of those departments have been relocated in offices in other buildings on campus.
- The Pontifical Institute of Mediaeval Studies has announced its new post-doctoral programme leading to the License in Mediaeval Studies. The major thrust of the programme is on the individual research of the candidate, to be supplemented by an on-going research seminar with the Institute Fellows which is designed to incorporate the Institute's

traditional multi-disciplinary approach to the study of the Middle Ages.

- **KUDOS:** Professor Harvey Kernpeck of the English group was among University of Toronto teachers noted by *Maclean's Magazine* for their teaching excellence. Two professors in our Philosophy Group have been honoured: Professor Lloyd Gerson was awarded one of the UofT's prestigious Connaught Research Fellowships for 1998-99 to continue his work on his next book; Professor Bernard Katz won an Outstanding Teacher Award from the Ontario Confederation of University Faculty Associations. Professor Janine Langan of the Christianity and Culture Programme was chosen to receive the 1998 St. Michael's

College Student Union Award for Teaching Excellence "for her outstanding teaching abilities and dedication to her students."

- The St. Michael's alumni newsletter was one of the Canadian publications used in the preparation of the recently published *Canadian Oxford Dictionary*. Honest!
- The audience that gathered in the Blue Parlour of Loretto College on Sunday 8 March were treated to a musical feast; it was the 1998 "St. Michael's College Music Recital" featuring students, residents and other members of the College community performing vocal and instrumental classical pieces. No music lover in attendance was disappointed!
- Fr. Tom Rosica, C.S.B., Chaplain of the Newman Centre of the University of Toronto, was presented with the highest civilian honor of the Italian Government by the Italian Ambassador to Canada at a ceremony at the Newman Centre 11 May 1998.

## St. Michael's Tops In Teaching

At the Spring Reunion dinner on 6 June St. Michael's Acting-Principal Mariel O'Neil-Karch announced that, for the first time, the Faculty of Arts and Science, drawing upon information from the annual course evaluations, generated statistics comparing the teaching effectiveness of departments and colleges. Among the seven colleges on the St. George Campus St. Michael's was ahead of all others.

This study also developed a list of 57 university teaching centres that included colleges, departments, academic programmes, etc.; on that list St. Michael's ranked second only to a small programme in Modern Greek in teaching effectiveness. Congratulations to the College faculty for such outstanding work. These results come as no surprise to alumni and alumnae whose memories of St. Michael's include the experience of good teachers.

The Lecturer will be Fr. Ronald

former Professor of Theology at  
Newman Theological College in

1998 is witnessing many changes at St.  
Michael's.

As reported elsewhere in this issue of the  
newsletter, Cardinal Carter has resigned as  
Chancellor after twenty years of devoted,  
fruitful involvement in the life of St.  
Michael's.

Fr. Robert O'Halloran, C.S.B. 5T5 retired  
from the position of Registrar after eight  
years of dedicated service to the students  
and faculty of St. Michael's. Fr. Robert  
Madden, C.S.B., 5T2 retired from his  
fourteen years as Executive Director,  
Alumni/Development. Both Fr.  
O'Halloran and Fr. Madden are expected to  
remain in residence at St. Michael's.

Audrey McDonagh has retired from her  
long and graceful tenure as Administrative  
Assistant to the Departments of Classics  
and English at St. Michael's; her organizing  
ability, secretarial skills, and patient,  
welcoming manner toward students and  
teachers alike have contributed greatly to  
the reputations of those departments.

The English Department group at St.  
Michael's saw three stalwart members retire:  
Professor Harvey Kerpneck, Professor  
Gino Matteo SMC 5T9, and Professor  
Walter O'Grady SMC 5T7; with their  
departure the College has lost three  
outstanding, dedicated teachers.

Fr. Donald McNeil, C.S.B. 4T0, Professor  
Emeritus of Classics, retired from his all-  
important post of Space Controller, in  
which capacity he, for many years, made  
sure that appropriate rooms were available  
for courses, tutorials, special lectures, etc.--  
and without benefit of computer!

In March Maude McCarty, who established  
the Office of Development at St. Michael's,  
left the College after ten years to establish  
the Office of Development for the UofT's

## Farewell And Thank You

Faculty of Architecture, Landscape, and

Henry Mulhall 8T8 left his position of Dean  
of Men and Dean of College to pursue  
studies for an MBA degree at Oxford  
University.

Sister Ann Delaney, C.S.J. 8T5 has  
completed her term as Dean of St. Joseph  
College; she has been succeeded by Sister  
Anne Marie Marrin, C.S.J. Sister Ann  
remains in Toronto, involved in the ministry  
of Nazareth House, which provides  
supportive housing to women in need.

Fr. John Reddy, C.S.B. completed ten years  
as the College Chaplain and has been  
appointed Associate Pastor of Holy Rosary  
Parish, Toronto. Fr. Reddy's work in  
involving students in the development of  
the Chaplaincy programmes, his availability  
to students, his excellent liturgical sense, his  
challenging and encouraging homilies, and  
his ability to minister to students, staff and  
faculty as priest, counselor, and friend have  
been deeply appreciated by the St. Michael's  
community.

Each of these St. Michael's people has added  
in a distinctive way to the life and work of St.  
Michael's; each will be missed. Thank you,  
and God speed!

From British Columbia to Quebec, from California to New York, from Texas to Michigan, from London, England, from three countries, four provinces, and thirteen states, and from every honoured year from 1923 to 1973 they came to celebrate the anniversaries of their graduation from St. Michael's and the UoT.

It was a grand reunion, with well over two hundred and fifty returning to take part in the event-packed weekend, which began with a Friday night reception, continued through Saturday with UoT activities and the reception and dinner at the College, and concluded with the concelebrated Reunion Mass at which Fr. Peter Swan, C.S.B. 3T8, former President of St. Michael's, was principal celebrant, and Fr. Terence Forestell, C.S.B. 4T8 was the homilist.

## Fr. Owen Lee's 10th Alumni Opera Lecture "He just gets better and better"

Ann Dillon Marshall ST4, Fr. Owen Lee ST3, and Gloria Chisholm Buckley 4T8 They make it happen!

On Sunday 3 May over one hundred opera fans crowded into the Senate Chamber of Alumni Hall to hear Fr. Owen Lee, C.S.B. ST3, deliver his tenth opera lecture for the St. Michael's Alumni Association. The announced lecture title was "Two Operas by Verdi," but which two Fr. Lee resolutely kept secret until the lecture began. With his usual insight and sensitivity, he movingly explored the musical, dramatic, and human complexities and depths of Verdi's *La traviata* and *La*

*forza del destino*. Once again he opened for his audience new dimensions of these two works, offered fresh approaches, and enabled us to appreciate more deeply the genius of Verdi.

The afternoon was a triumph, and the Alumni Association is grateful to Fr. Lee, and also to Gloria Buckley, and to Dick and Anne Marshall for their invaluable assistance in planning and coordinating the lecture.

Fr. Lee will give the 1998 Trinity College Larkin-Stuart Lectures in the MacMillan Theatre, University of Toronto at 8:00 P.M. on 22, 23, 24, September; the three-lecture series is entitled, *Wagner: the Terrible Man and His Truthful Art*. The individual lectures are:

22 September: "Wagner and the Wound That Would Not Heal"

23 September: "Wagner's Influence: the First Hundred years"

24 September: "You Use Works of Art to See Our Soul"

To obtain tickets, call Trinity Office of Convocation, 416-978-2651.
